Stand With Us On

Sunday, April 14th @ 1PM
Hartford State Capitol
We are **STANDING UP FOR CLIMATE & ENERGY EQUITY** as part of our collaborative call for responsible energy policies to fight climate change, protect public health, and create good, local jobs!

**WE ARE CALLING ON OUR ELECTED LEADERS TO:**
- Stop diverting Energy Efficiency & Clean Energy funds.
- Ensure equal access to efficiency & clean energy programs.
- Lower energy waste and pollution.
- Close the affordability gap & invest in a clean energy future.
- Expand programs that cut waste & lower carbon emissions.

**POLICY GOALS**
- Restore & expand our energy efficiency & renewable energy programs and create a path for increased energy equity.
- Ensure all programs have an equity lens, including transportation.
- Include underrepresented communities at the table & empower them with information.
