Stand Up for Climate Action & Energy Equity
A Comm-Unity Conversation

Sunday, April 14th @ 1-4pm

Special thanks to ALL of our event sponsors
Thank you for Standing with Us!

Today we are **STANDING UP FOR CLIMATE & ENERGY EQUITY** as part of our collaborative call for responsible energy policies to fight climate change, protect public health, and create good, local jobs!

**We Are Calling on Our Elected Leaders to:**
- Stop diverting Energy Efficiency & Clean Energy funds.
- Ensure equal access to efficiency & clean energy programs.
- Lower energy waste and pollution.
- Close the affordability gap & invest in a clean energy future.
- Expand programs that cut waste & lower carbon emissions.

**Policy Goals:**
- Restore the energy efficiency and clean energy funds.
- Expand energy efficiency & renewable energy programs
- Increase energy equity.
- Ensure all programs have an equity lens.
- Include underrepresented communities at the table.
- Empower people with information.

To sign our petition, please visit our website: [efficiencyforall.org](http://efficiencyforall.org)

**Standing together we can make a difference!**

**PLEASE VISIT THE ADVOCACY TABLES.**
Support the important work these organizations do to help improve our communities.
